9. [redacted] LIAISON Met with Rhett Dawson, staff member of the Senate Armed Services Committee,who handles matters for Senator John G. Tower (R., Texas). According to Dawson, Chairman John C. Stennis (D., Miss.) is extremely concerned over the cuts to intelligence programs made by the Senate Select Committee on Intelligence and he will call Chairman Daniel K. Inouye (D., Hawaii), of the Select Committee, and request a 30-day delay for the conference of the Defense Authorization bill to allow the Senate Armed Services Committee to exercise sequential jurisdiction to review the programs in detail. Dawson said he will be reviewing the classified Senate Select Committee report on the cuts and will review the Director's letter to Chairman Stennis explaining the Agency's position. To get a better understanding of this subject, Dawson requested that a representative from the Intelligence Community Staff meet with him to explain the Agency's position on the cuts. He wants to get a better feeling as to how he can assist the Agency and the Community in presenting its case. I told him we could probably set something up for next week. I discussed the call with [redacted] D/IC/OPBD, and he will let me know who will meet with Dawson.

14. [redacted] LIAISON Phil Lacovara, House Committee on Standards of Official Conduct staff, called to discuss possible revisions of our Nondisclosure Agreement and Memorandum of Understanding, which are conditions precedent to Committee staff access to Agency material, and to determine if he could look to the Director and this office for assistance in dealing with NSA material. It was agreed that we would meet Wednesday afternoon, 1 June, in Lacovara's office to discuss the former and I said we will be back in touch with an answer concerning the latter.

15. [redacted] LIAISON Loch Johnson, on the staff of Senator Frank Church (D., Idaho), called in connection with the interest of himself and Carolyn Fuller, in the office of Senator Walter D. Huddleston (D., Ky.), on the functions of the Intelligence Community Staff and Admiral Turner's plans for the future and in learning more about the estimating process. I explained that future plans relating to the structure of the Intelligence Community is the subject of Executive Branch review at the present time, thus discussion of plans would be premature, but we might, however, see what we could do to have somebody stop by to discuss other matters of interest. Johnson indicated that he had met Robert Bowie, D/DCI/NIO, at the Carnegie Center dinner last night.

16. [redacted] LIAISON Called Ralph Preston, House Appropriations Committee staff, to get further details on Chairman George H. Mahon's (D., Texas) planned public announcement tomorrow on the Intelligence Community budget and was assured that it would go no further than what has been done in previous years, namely, specify the amount of the cut, but not what the total is.

Miller agreed that it did not.

[redacted] LIAISON Called Jack Brady, House International Relations Committee staff, to advise him that the background investigations on Brady and Ivo Spalatin, also of the staff, done in connection with their recent ERDA clearances, were adequate for our purposes with respect to compartmented access and that they need not request additional background checks.
